- Street Signs were ordered
- Out of Compliance Tax returns/Audits. Still working on this Have the Bishop Associates looking at them to give us a price.
- Tree lighting ceremony Nov.19, 20. Will the lights be up by then? Sue can you verify with Clay? A work day the Saturday or Sunday before for the lights we usually hang. Tad Please work this out. The lights for the Garden extra are in the storage shed.
- Annual Christmas Dinner Dec 10th. Will Santa be available? Who will provide the meals?

3. NEW BUSINESS:

- Former Mayor Al Lewis built his small house/office on part of his land on Rudolph, yet the back part of the building is sitting on the lot owned by the City of Santa Claus. Someone is buying that house and the property around it, he has had it surveyed and is requesting to buy the 25'x150' section that the back porch is sitting on. The land will not interfere with the water or sewer lines. The City will keep ownership of the remaining 125x150 of Parcel C41A 033F. Dividing it into Parcel A (City of Santa Claus) and Parcel B (New Owner) The last tax assessed value for the entire parcel was \$4,500. We believe that the sale of that portion of the lot for \$1,200, would be a fair price.
